Southern Application Management employee honored for Apache Sprayer sales

MOORESVILLE, Indiana, June 25, 2015 – Micah Miller of Southern Application Management, a farm machinery and products business at 21129 Highway 6E, Batesville, Miss., was named Salesman of the Year for outstanding Apache self-propelled sprayer sales performance by Equipment Technologies, the manufacturer of Apache-brand sprayers.

Miller also reached the Quadruple Diamond Level in the Apache Top Performer Club for Sales Excellence. He was presented his awards during the annual Apache Dealer Sales Meeting June 15 at Equipment Technologies' Indiana headquarters

Southern Application Management is an Apache Dealer.

“Micah Miller had an outstanding sales year, and these awards are well deserved,” said Matt Hays, Chief Executive Officer of Equipment Technologies. “I congratulate Micah and the entire Southern Application Management staff for their sales achievements.”

Southern Application Management is open 7:30 a.m. to 5:30 p.m. Mondays to Fridays and 7:30 a.m. to noon Saturdays. For more information call 662-578-4684, or visit www.spraywithsam.com.

Founded in 1997, Equipment Technologies manufactures the Apache AS730, AS1030, AS1230 and AS1230 XP model sprayers at its Mooresville, Ind., assembly plant. The privately owned company markets its sprayers through a vast dealership network in the U.S., Canada, Australia and Ukraine. Visit www.etsprayers.com for more information.
